## Digby County

### -Sissiboo Story Book Trail

4623 Highway 1 Weymouth

The trail represents the five founding cultures in less than 1 km of trail through stories of the past displayed on interpretive panels designed to replicate an opened story book. You can enjoy the inspiring stories of the Mi'kmaq, the Black Loyalists, the United Empire Loyalists, the New France Settlers and the Acadians.

Enjoy the picturesque waterfront or take yourself back to the age of steam locomotives with a visit to the 1500 ft Sissiboo railway trestle. All this while ospreys and eagles soar overhead and other types of wildlife are sighted from the gazebos which are located along the trail. The trail is complemented with playground and fitness equipment ideal for children and adults.

### -Mavillette Provincial Beach and the SOS Ice Cream Boat

### -BEAR RIVER FALLS- DIGBY COUNTY

Directions:

In Bear river, take the River Rd, pass the NS power generating station and approximately 1.9km after the split between river Rd and Reservation Rd (keep right on the river Rd). The falls and boulders will be on your right.

### - Meteghan Family Park....A PUMP TRACK!

The pump track is a closed circuit with hills and turns that can be ridden without pedaling, since the momentum generated by the hills “pump” the riders!

-Le Petit Bois (which translates to Little Woodland or Little Forest) is a network of coastal and wooded trails located on the Université Sainte-Anne Campus, maintained by the staff and students of Université Sainte-Anne's Spring and Summer Immersion School. If you bring sunflower seeds or peanuts the chickadees will land in your hand for a snack!

There is also an ice cream/take out across the road!

-Prim Point Lighthouse, Lighthouse Road Digby
